

PARK CLEAN-UP

WORLD OF PLANTS, GARDENS BY THE BAY

2 AUG 2025

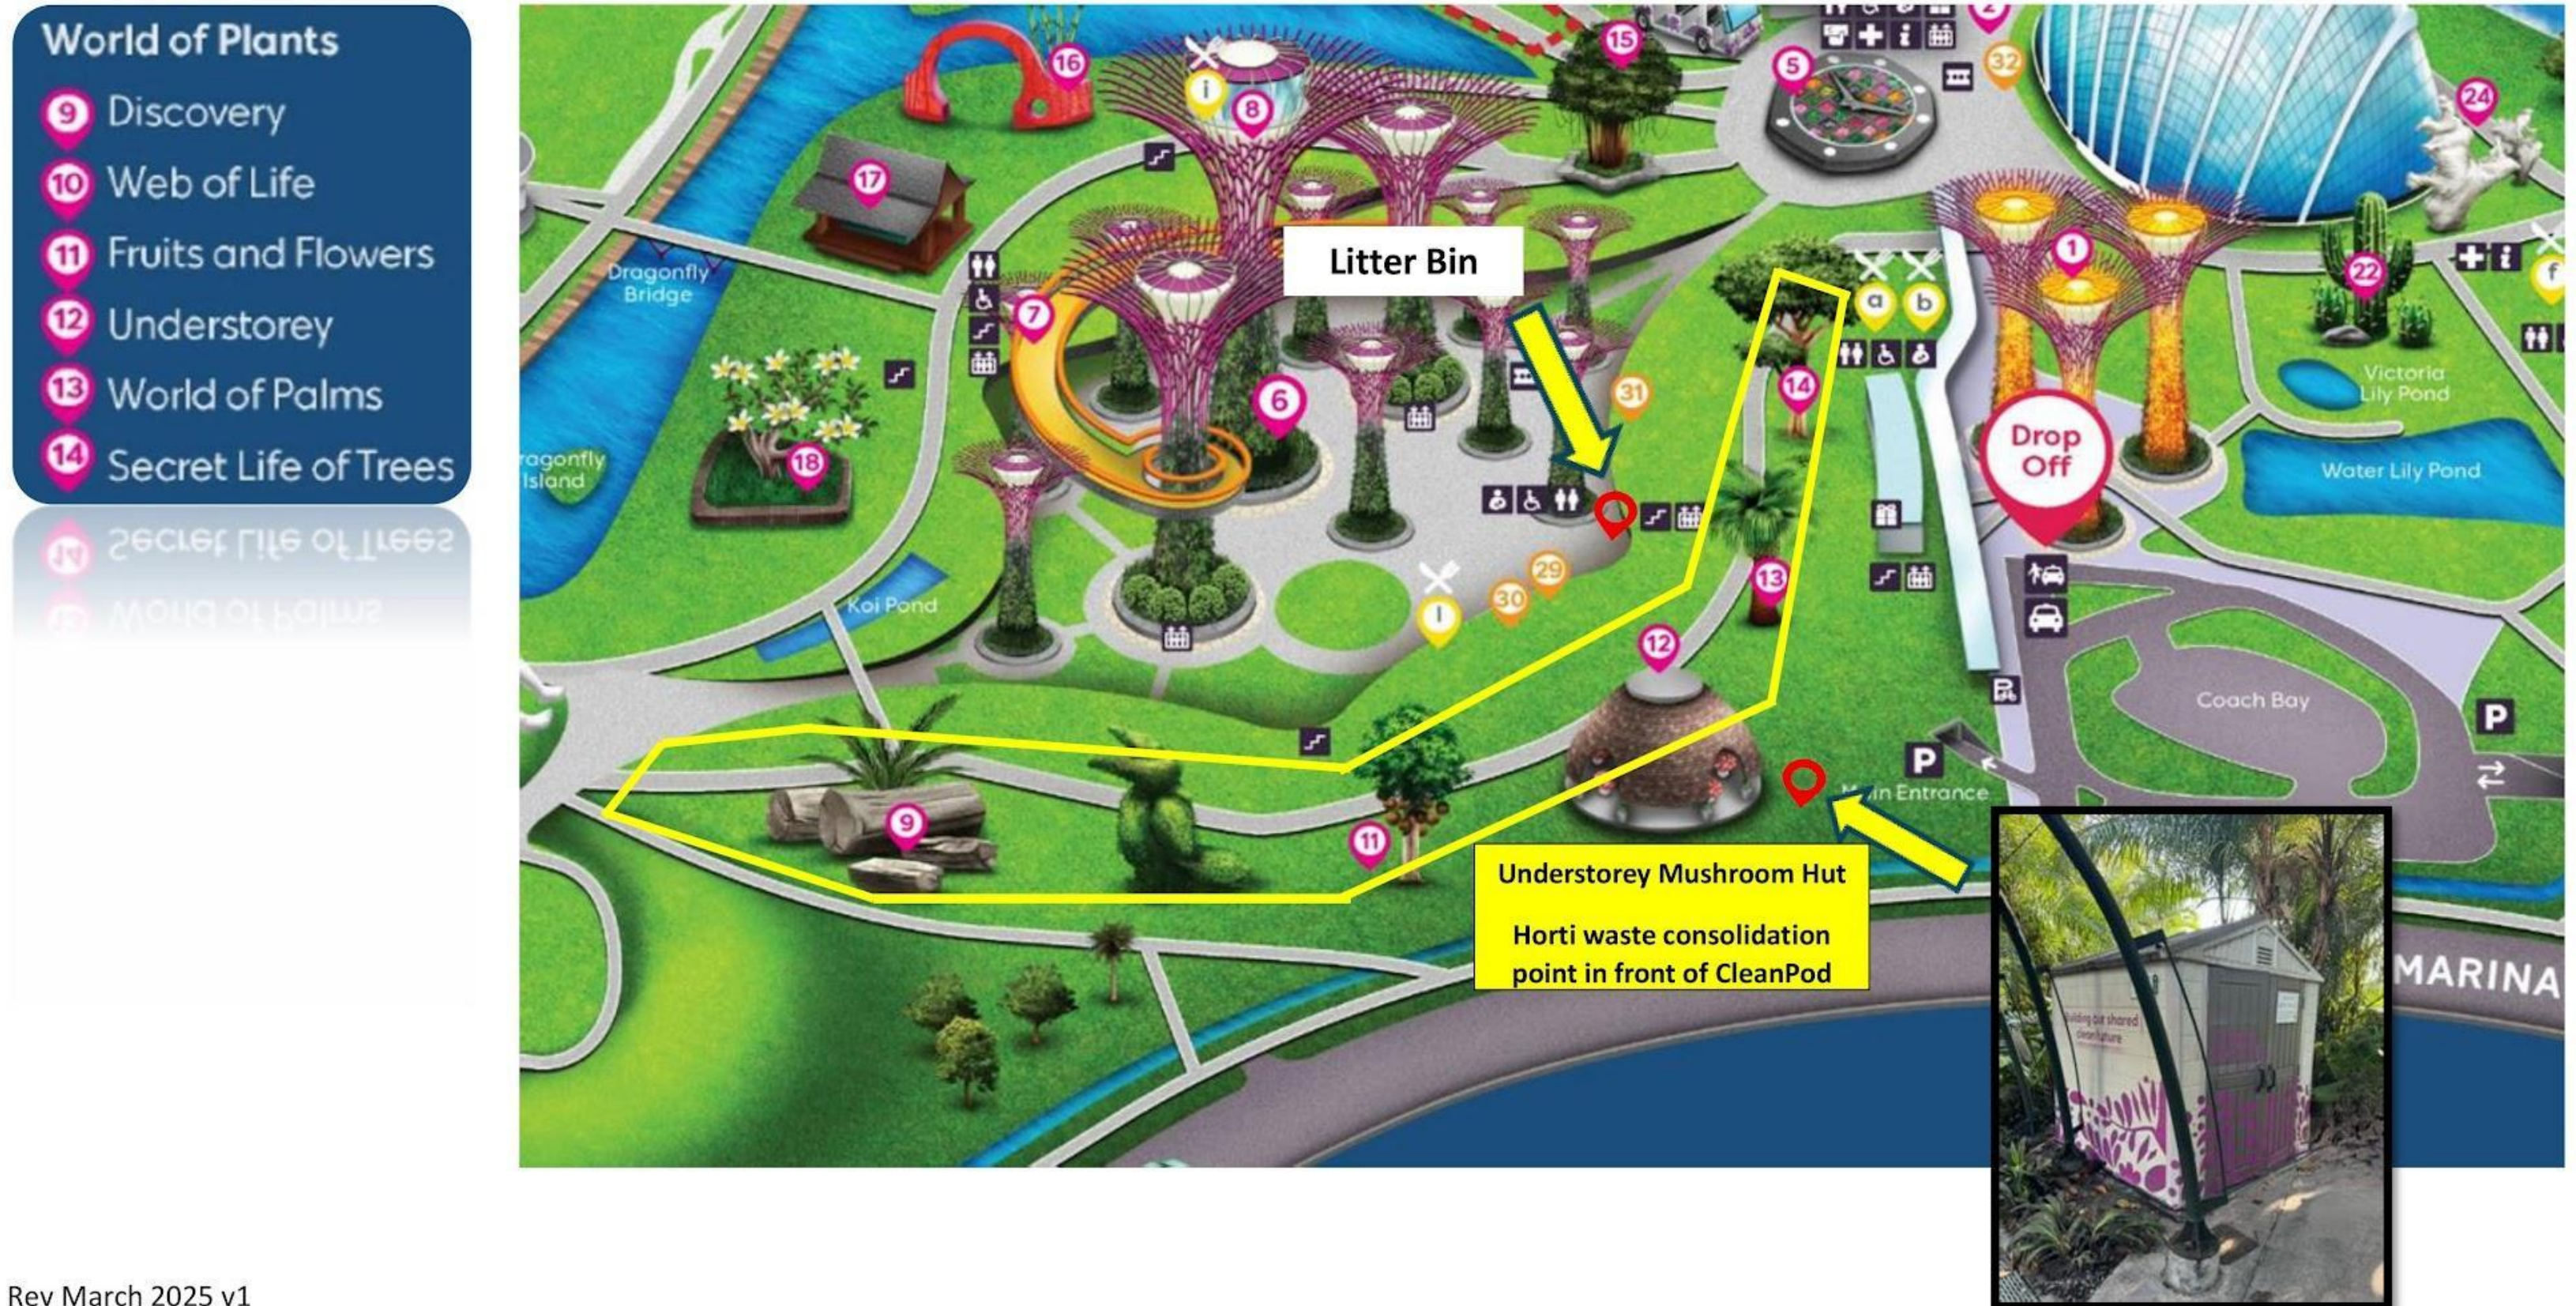

4:00 PM - 5:00 PM

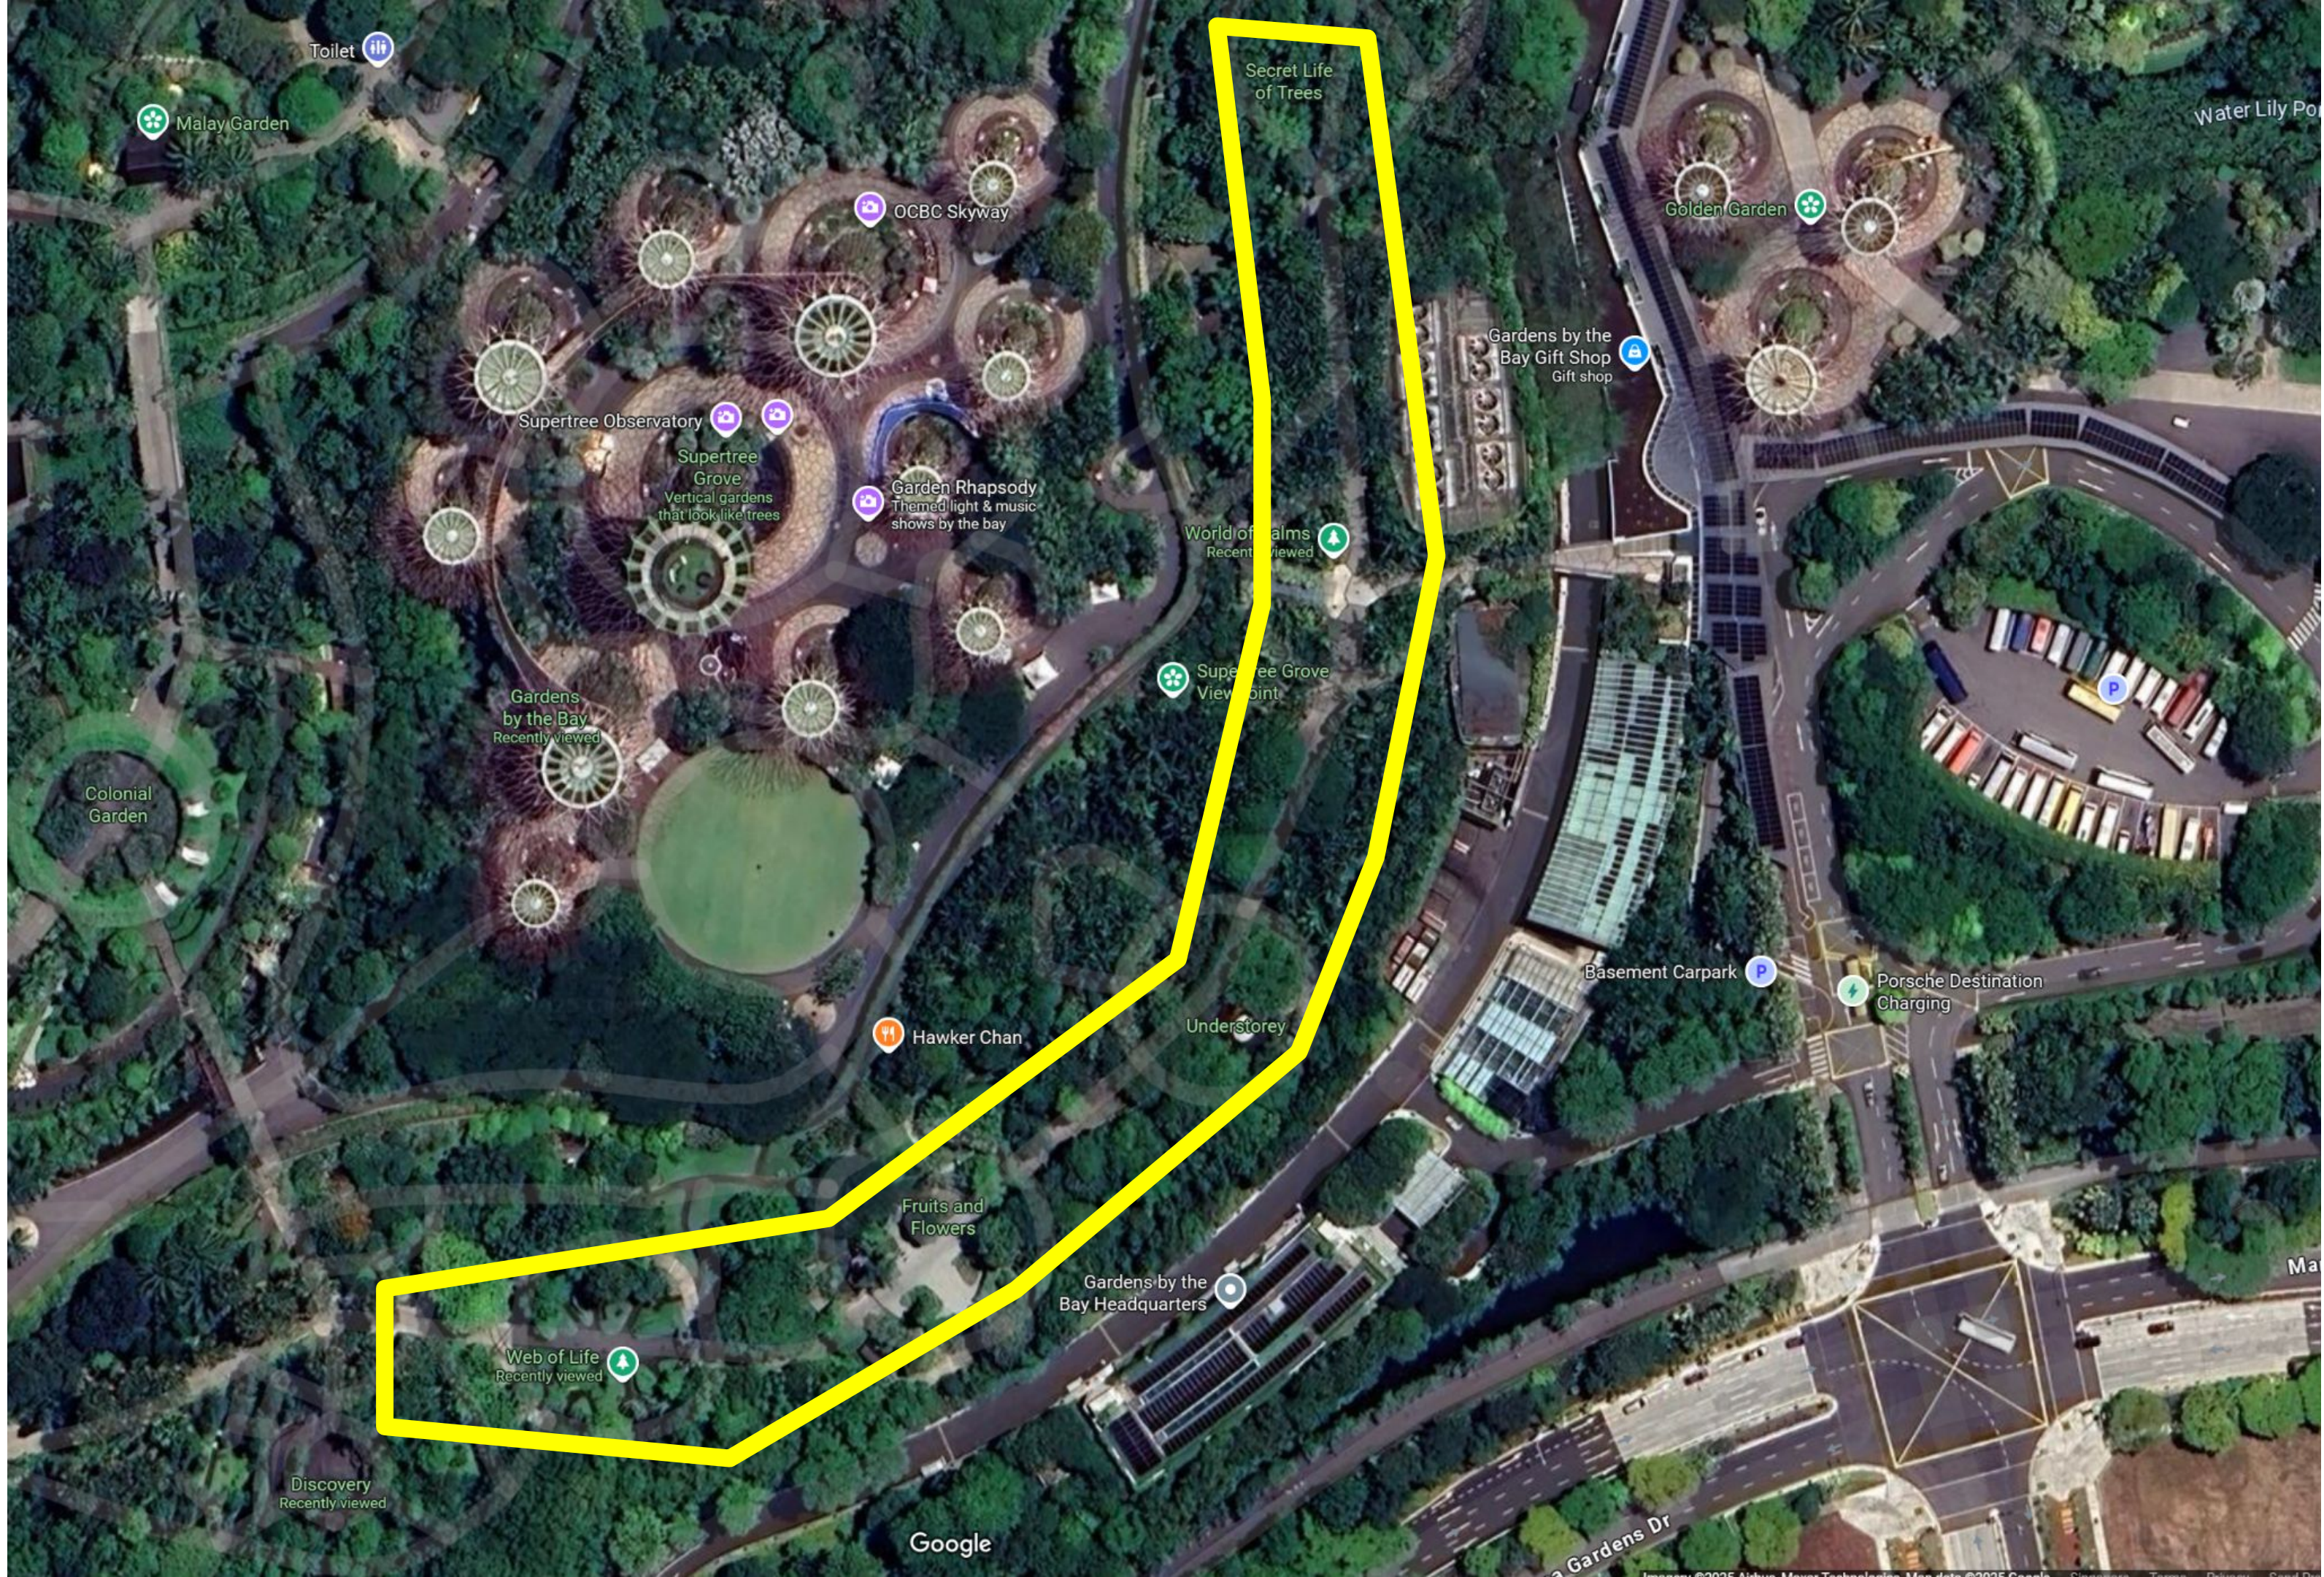

WASTE PICKING AREA

CLEAN POD | Gardens by the Bay

Horticultural (plant) waste-picking area : World of Plants

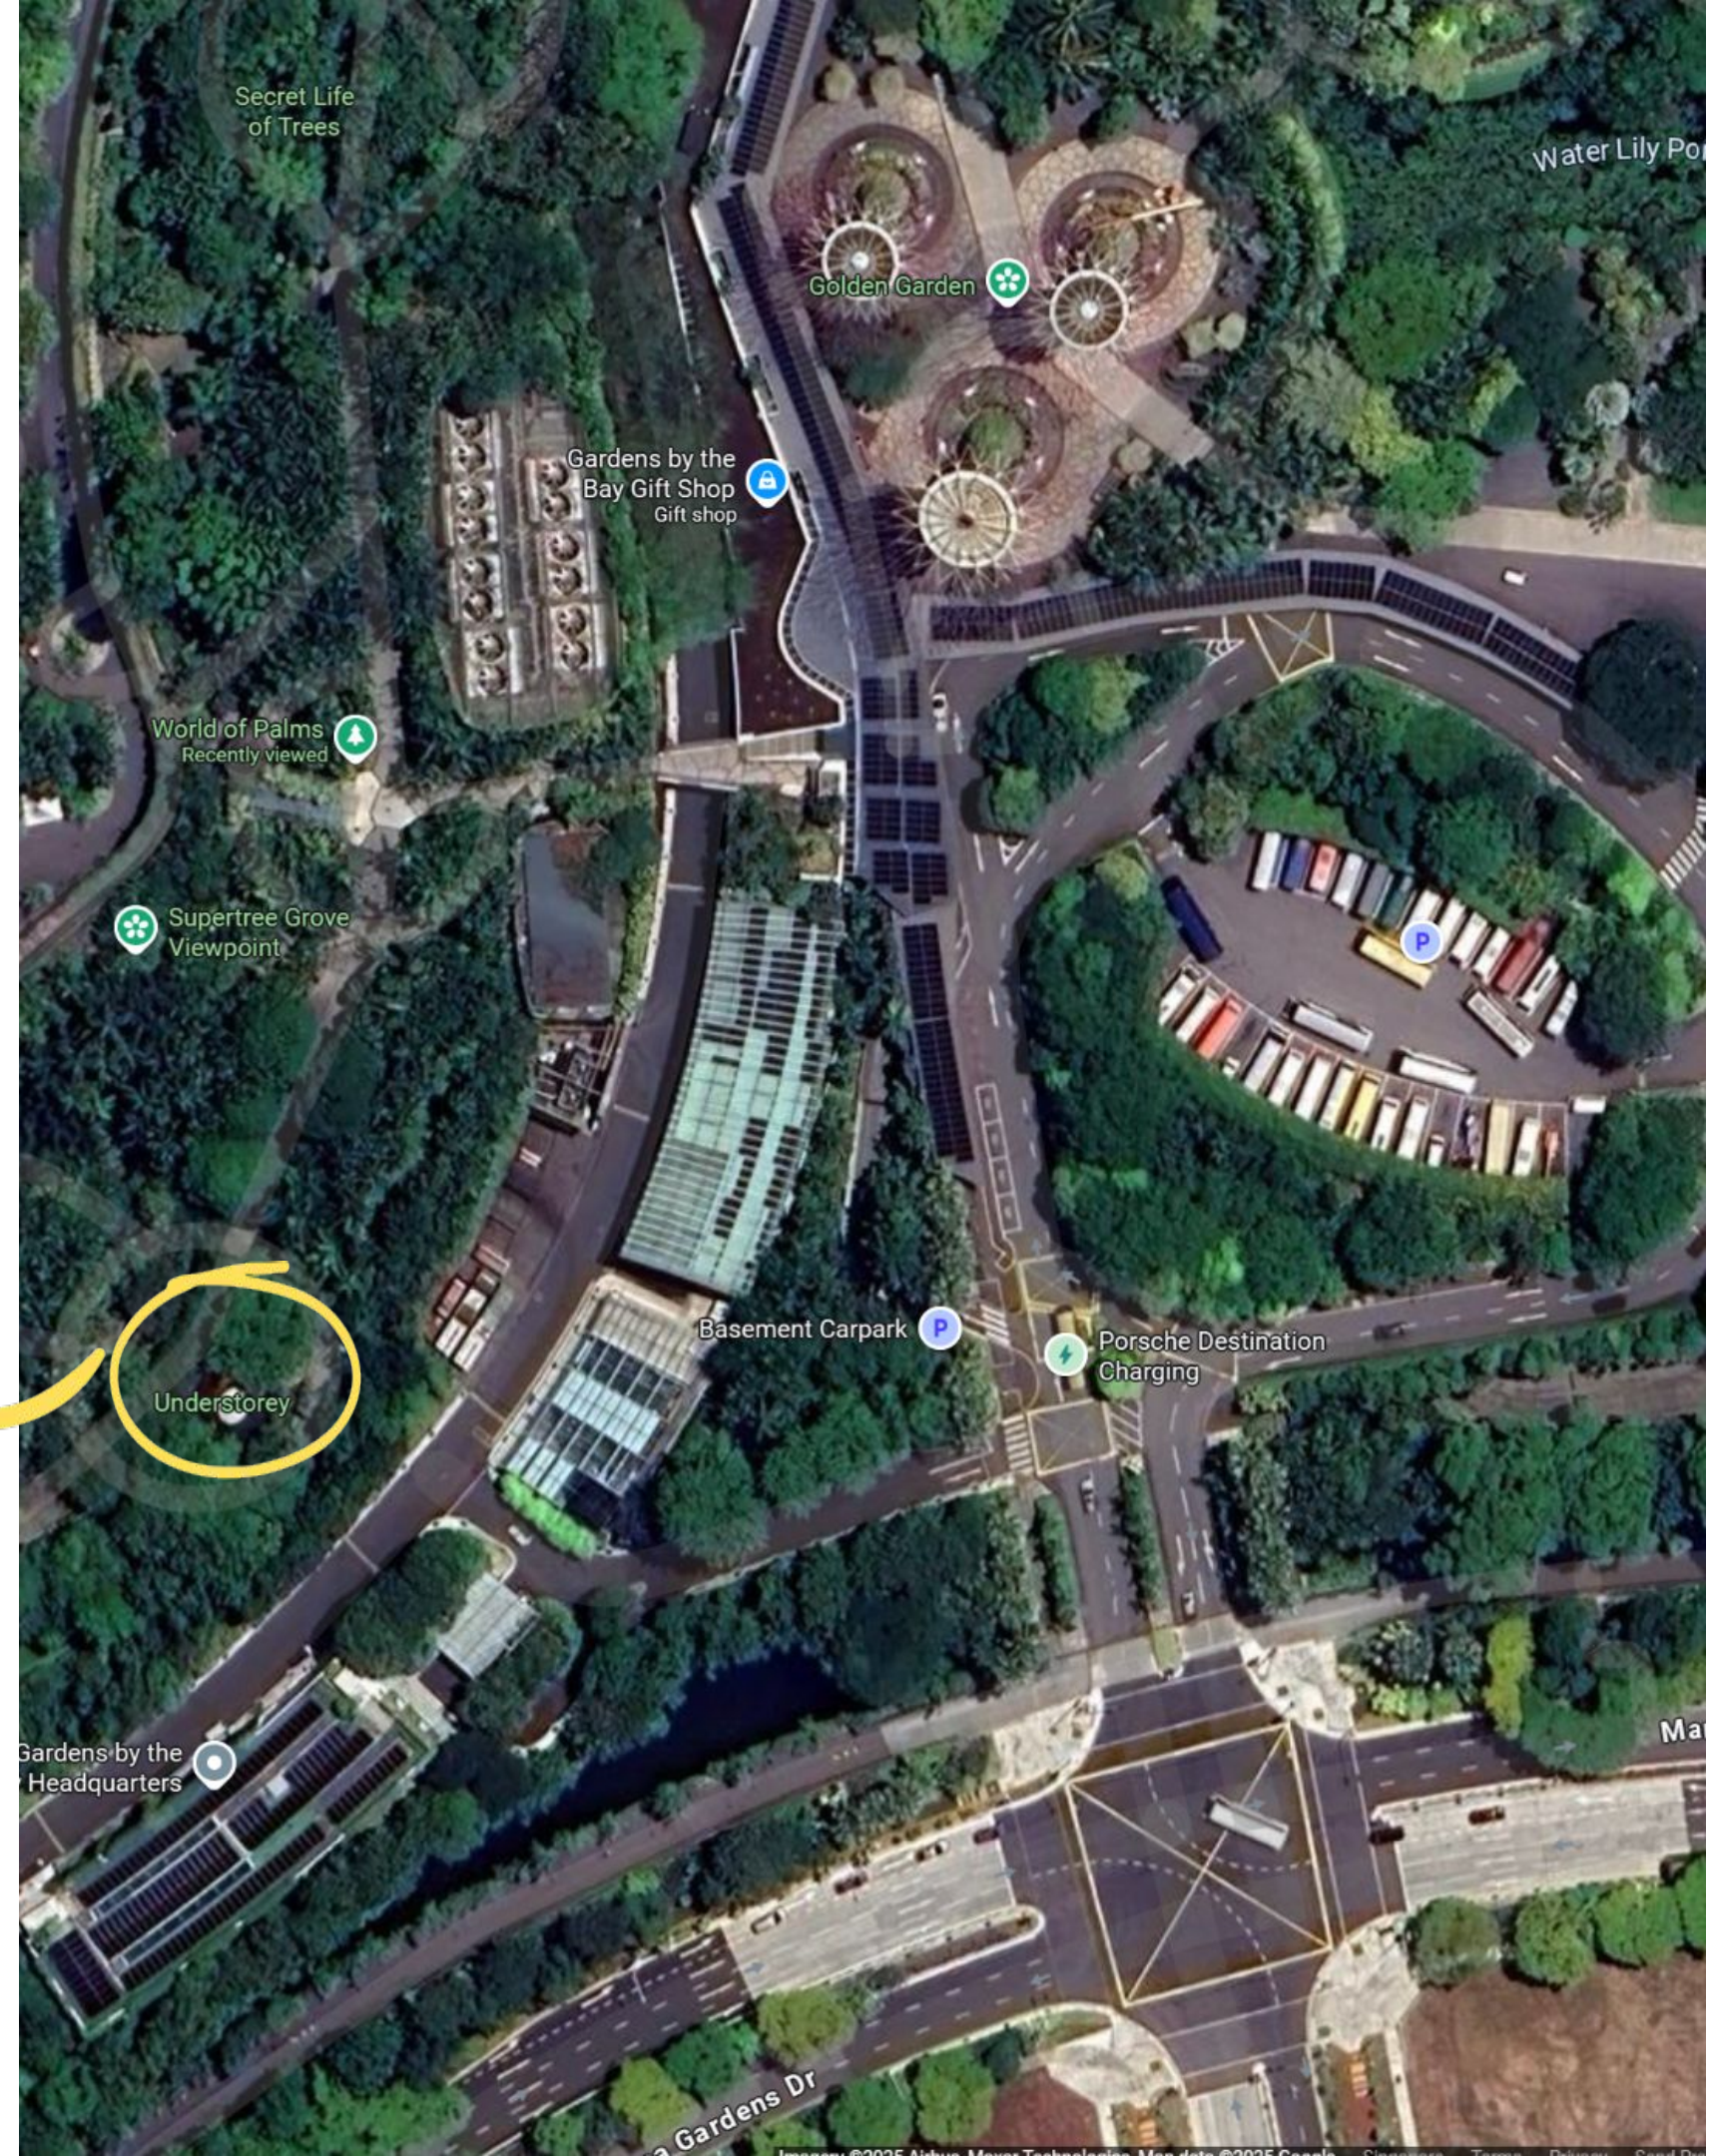

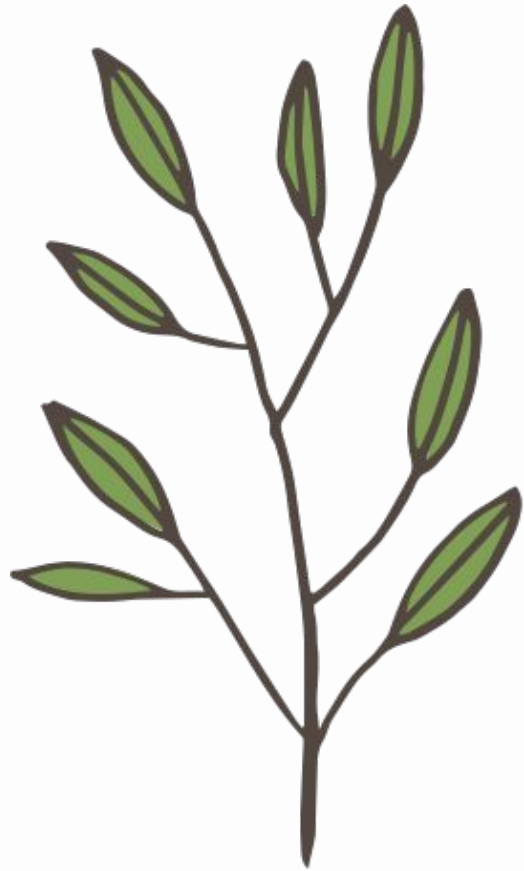

MEET-UP PLACE

📍 Understorey Mushroom Hut

🕒 4:00 PM

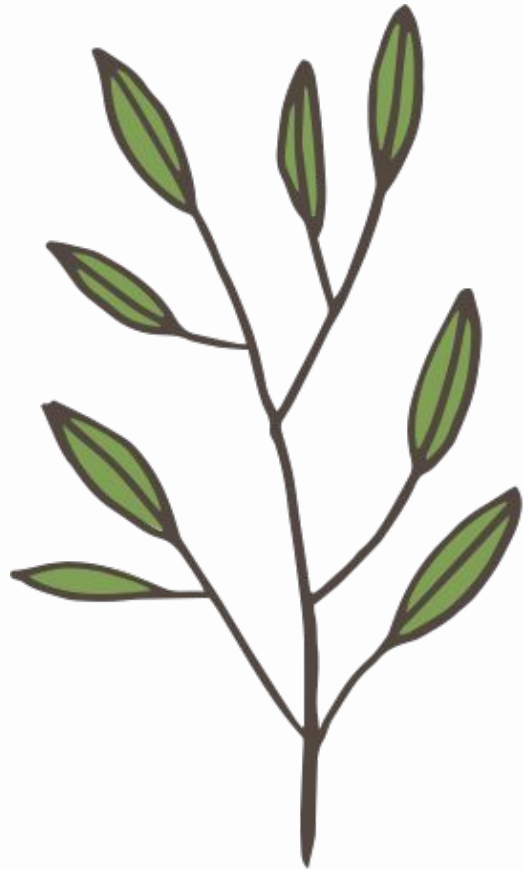

CLEAN-UP GUIDELINES

- Horticultural (plant) waste cleanup strictly within World of Plants section. Cleanup outside of World of Plants is **NOT** allowed.
- Only for Gardens By the Bay that mostly horticultural (plant) waste will be collected, since there isn't as many general wastes as possible to be collected in the gardens most of the time.
- General or large bins can be found near the public toilets at Supertree Grove and near the Flower Dome.
- Participants should not step into any planters as there might be algae and sharp lava rocks to prevent any skips and falls

CLEAN-UP GUIDELINES

- Do not venture into any bushes or higher areas that are beyond reach
- Cutting or taking any plants from the Gardens is not allowed
- Do not touch any unfamiliar plant as it may have thorns or plant sap that can cause injuries or allergies. If exposed, quickly proceed to wash the affected area thoroughly and seek assistance from GBB staff at the ticketing counters
- Refrain from approaching animals like the monitor lizards, snakes, and otters; **Keep their distance**
